#### General Information

- The above prices are expressed per person, varying according to accommodation type, period and length of stay.
- The Hotel offers 16 cottages, 4 Bungalows and 2 Panoramic - totaling 22 rooms. All categories are designed to accommodate 2 people and spare occupants are accommodated in extra beds. Considering all the beds in the Lodge, we have capacity to host 52 people per night.
- The cottages and bungalows can accommodate a maximum of 3 guests (with the addition of one extra bed). There is no physical space to accommodate more than one extra bed in these rooms.
- The panoramic accommodate up to 4 guests (1 Double Bed King, 1 Twin bed and 1 extra bed). But we remember that the room is designed to accommodate couples with only one companion. The placement of one additional bed unconfigures the furniture proposal and the layout of the bedroom.
- The charge of the guest accommodated in an extra bed will always be on the value of Chalets Experience.
- Portuguese and English speaking guides are offered free of charge. Guides fluent in other languages are offered under price quote and availability.
- All the experiences offered by the Hotel has its non-private trips distributed in groups of up to 14 guests.
- To ensure the availability of guides fluent in English, it is necessary to ask in advance for this service.
- Extra nights prices will be accepted only from the sixth day program and do not include activities.
- Couples on honeymoon: Guests will be gifted with a bottle of sparkling wine and a fruit caipirinha in the first evening.

Transfers

a The Regular Transfer is offered daily at 2 fixed times. The path is by paved road in Vans or Cars with an average of 3:00.

b Attention to the schedule of your flights both on arrival and departure from Manaus. In respect for other guests, the lodge does not flexibilizes pick-up and drop-off times of the regular transfers.

c From Manaus to the Lodge there are two departure options: 1- Departure between 08:00 and 09:00 with pick-up in hotels, 2- Departure between 13:30 and 14:30 for flights arriving until 14:15 at the Airport. During daylight saving time, we take care of the flights that arrive until 13:15 with departure time between 13:00 and 13:30. By choosing to pick-up at the airport the guest will miss lunch and the first activity of the package.

d From The Lodge to Manaus the departure options are: 1- Departure at 08:00 for flights between 13:00 and 19:00, 2- Departure at 14:00 hours after 19:00 and for Hotels in Manaus. INFRAERO recommends to introduce yourself 2 hours in advance for check-ins in Manaus. By opting for the morning departure the guest will miss the last activity of the package.

e In case of private transfer, an additional fee will be charged with confirmation of values and availability.

f For safety reasons, we do not offer transfers, even private, after 4:00 pm. In this way, flights landing after 4:00 pm will require that the guest stay in Manaus at the first night and follow to Anavilhanas on the next day. In such cases, the cost of overnight in Manaus should be borne by the guest.

g There is also an option for a seaplane transfer over Anavilhanas’ archipelago. The trip takes about 35min. Costs are not included in the packages and availability is checked upon request. The flight times should follow the ground transfer timetable, since, in bad weather conditions, the plane is not allowed to take off and the passenger should travel by car.
